Progress made across Sustainability initiatives through Conduent's people, technology and solutions

FLORHAM PARK, N.J.--(BUSINESS WIRE)--Jun. 5, 2024-- [Conduent Incorporated](#) (Nasdaq: CNDT), a global technology-led business solutions and services company, today published its [2023 Corporate Social Responsibility Report](#), outlining the company's enterprise-wide initiatives to conduct business ethically, responsibly and sustainably to better serve its stakeholders.

"Conduent is committed to advancing our sustainability goals and transparently reporting on our progress. We're proud of the work we do to deliver critical benefits and services for our clients and the millions of consumers they serve," said Cliff Skelton, Conduent President and Chief Executive Officer. "Our sustainability initiatives are aligned and integrated with our company strategy and support our clients, associates, local communities and shareholders."

Some highlights of the 2023 CSR report:

- Reached our goal of a 40-50% reduction in Scope 2 greenhouse gas emissions by 2030 over our 2019 baseline.
- Expanded our emissions disclosures and committed to the Science Based Target initiative.
- Received seven awards for diversity, equity and inclusion.
- Associates volunteered 15,406 hours in local communities.

Conduent's Sustainability disclosures align with the Task Force on Climate Related Financial Disclosures (TCFD) and Sustainability Accounting Standards Board (SASB) framework.
